Since 1965

» Company profile

Parnami Rubber & Plastic Works (PRPW) is a trusted leader in the manufacturing of high-quality marking devices, proudly serving thousands of clients with a diverse range of reliable products. Founded in 1965 by Late Shri J.K. Parnami as a very small business, the company has since grown to become one of the biggest players in India, synonymous with quality and customer satisfaction. Today, PRPW continues to thrive under the stewardship of Late Shri J.K. Parnami's next generations—led by his sons, Mr. K.K. Parnami and Mr. Shyam Parnami, alongside Mr. Shyam Parnami's Son, Amit Parnami, the latest of the current generation—who bring fresh vision and dedication to advancing the legacy of excellence established by the founder.

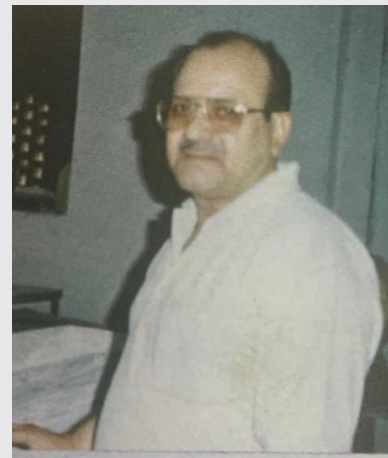

Our extensive product lineup includes Die Plate Daters, Time & Date Stamps, Line Daters, Number Stamps, Self-Inking Stamps, Phase Stamps, and Stamp Pads—designed to meet various marking needs across industries. Each product is crafted for durability, precision, and ease of use, delivering clear and professional impressions with every stamp.

At Parnami Rubber & Plastic Works (PRPW), we are driven by a vision of excellence and a steadfast commitment to quality. Our core values—integrity, quality, and customer focus—guide every aspect of our work, ensuring that each product and interaction meets the highest standards. We believe in building lasting relationships with our clients by consistently providing value, support, and reliability. Our vision is to lead the industry in creating effective and enduring marking solutions, empowering businesses to leave a lasting impression. Through continuous improvement, we strive to exceed expectations and foster trust with every product we deliver.

At PRPW, quality is at the heart of our operations. Our products undergo rigorous quality control to ensure longevity and accuracy, and we constantly seek ways to improve, always prioritizing the needs of our
